

## **SAND Academies Trust Recruitment to the Trust Board**

### **The Vacancy**

SAND Academies Trust seeks a non-executive director, with senior corporate governance experience to join a strong board supporting a recently formed multi-academy trust in Gloucestershire. Candidates should be highly able, possibly experienced directors who will work well with an established and strong Trust Board. Selection will be by interview.

We seek a director with the ability to work effectively as part of the Trust Board, able to build positive relationships with the Executive Leadership Team, growth/change management experience, the ability to represent the organisation externally and the time to engage with the schools.

Ideally we are looking for candidates with skills and expertise in any of the following areas: HR, Premises, Education (special school) and/or Financial Management.

### **The Trust**

The Trust promotes partnership across schools that have a shared ethos of collaborative working to achieve the best for pupils. Its aim is to provide outstanding education and life outcomes for pupils whilst maintaining the individual identity of each school.

### **Time commitment**

There are six Trust Board meetings a year plus a further seven formal meetings. In addition to this would be ad hoc representation of the Trust Board at school events and with external bodies.

### **To make an application**
