## Supporting Achievement Nurturing Development

SAND Academies Trust was formed in June 2019 to enable and develop partnerships working across a group of academies. Academy Trusts are created by a number of academies working together. Academies are **independent, self-governing schools** that are funded directly by the Government and not via the Local Authority.

SAND Academies Trust now consists of five schools:-

**Battledown Centre for Children & Families**

**Belmont School**

**Paternoster School**

**The Milestone School**

**Willow Primary Academy**

Each school will maintain its own unique ethos, culture and identity that has been established over many years to ensure the needs of pupils are met.

As a partnership we will achieve more together and therefore:

- Improve outcomes, opportunities and life chances for children and young people
- Offer more / wider support for their families
- Share and develop staff expertise

We will continue working to **grow our Academy Trust** to include converting schools who share our vision and aims and who wish to be part of a new and exciting Trust that will respect the individual identity of each academy whilst providing opportunities for sharing good practice and expertise to benefit our children, young people and families.

SAND Academies Trust is committed to Safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share the same commitment. All positions are subject to an enhanced DBS check.

## SAFER RECRUITMENT IN EDUCATION

SAND Academies Trust is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to demonstrate this commitment in every aspect of their work. The aims of our Safer Recruitment procedures are to help deter, reject or identify people who are not suitable to work with children.

### **Information for Applicants**

The following documents are available to download from our website

[www.sandmat.uk/vacancies](http://www.sandmat.uk/vacancies):-

- details of current vacancies
- a Job Description outlining the duties of the post, including safeguarding responsibilities and the Person Specification
- a SANDMAT Application Form. All applicants are required to complete this application form, containing questions about their academic and full employment history and their suitability for the role (in addition all applicants are required to account for any gaps or discrepancies in employment history).

### **Shortlisting and Reference Requests**

References will be requested at the selection stage directly from the referee.

They will be asked:-

- the referee's relationship with the candidate
- details of the applicant's current post
- performance history and conduct
- if there has been any disciplinary action involving the safety and welfare of children, including any in which the sanction has expired
- details of any substantiated allegations or concerns relating to the safety and welfare of children
- whether the referee has any reservations as to the candidate's suitability to work with children. If so the Trust will ask for specific details of the concerns and the reasons why the referee believes the candidate may be unsuitable to work with children.

### **Interviews**

At least one member of each interview will have completed Safer Recruitment Training. The selection process for every post will include exploration of the candidate's understanding of child safeguarding issues.

### **Pre-Employment Checks**

All staff will require pre-employment checks which include an enhanced DBS, satisfactory Health clearance and evidence of Right to Work in the UK. Applicants who have lived or worked overseas within the last 10 years must provide an equivalent DBS certificate or Police clearance from the country that they resided or worked in. Prohibition checks will also be completed if relevant to the job role.

### **Rehabilitation of Offenders**

Because of the nature of the work for which you are applying, this post is exempt from the provisions of Section 4(2) of the Rehabilitation of Offenders Act 1974 which means that spent convictions must be disclosed and will be taken into account in deciding whether to make an appointment. Any information will be completely confidential and will be considered only in relation to this application. In addition you are required to submit to a Disclosure and Barring check. Any disclosure made by the Disclosure and Barring Service will remain strictly confidential.

### **SAND Academies Trust Policy on the Recruitment of Ex-Offenders**

The school will not unfairly discriminate against any candidate for employment on the basis of conviction or other details revealed. The school makes appointment decisions on the basis of merit and ability. If an individual has a criminal record this will not automatically bar him/her from employment within the school. Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if they have been appointed, and a possible referral to the police and/or DBS.

Under the relevant legislation, it is unlawful for the school to employ anyone who is included on the lists maintained by the DBS of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the school to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences,

grievous bodily harm or other serious acts of violence. It is also unlawful for the school to knowingly employ someone who works in the relevant settings and is disqualified from providing childcare under the statutory guidance “Disqualification under the Childcare Act 2006 (July 2018)”.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the school. The school will report the matter to the Police and/or the DBS if:

- the school receives an application from a disqualified person;
- is provided with false information in, or in support of an applicant's application; or
- the school has serious concerns about an applicant's suitability to work with children.

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the school will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters;
- in the case of disqualification from providing childcare, whether the applicant has or is able to obtain an Ofsted waiver from disqualification; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the school's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any of the following offences: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of

violence, serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the school's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the school's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving.

### Disability Confident Committed

As a Disability Confident Committed employer we are committed to ensuring that our recruitment process is inclusive and accessible by:-

- ensuring against discrimination
- making job adverts accessible
- providing information in accessible formats (large print)
- accepting applications in alternative formats (paper or electronic)

We are reviewing our current recruitment processes to reach a wider range of applicants.

We offer interviews to applicants who have declared they have a disability provided they meet the minimum criteria as defined in the person specification.

The aim of this commitment is to encourage positive action, encouraging disabled people to apply for jobs and provide an opportunity to demonstrate their skills, talent and abilities at the interview stage.

There may be occasions where it is not practicable or appropriate to interview all disabled people that meet the minimum criteria for a job e.g. in certain recruitment situations such as a high number of applications, seasonal and high-peak times, we may wish to limit the overall numbers of interviews offered to both disabled people and non-disabled people.

In these circumstances SAND could select the disabled candidates who best meet the minimum criteria for the job rather than all of those that meet the minimum criteria, as they would do for non-disabled applicants.
